

Books & Booklets Introduction

We are particularly well equipped to produce Books and Booklets and this is reflected in the exceptionally competitive prices we charge.

The easy to use tables on pages 61 - 64 allow virtually any permutation of size, quantity, material and printing to be priced quickly.

Material Choices

The material you would like to use for the inside pages of your Book or Booklet determines which table you should look at. For 100gm Executive paper or 100gm equest® paper inners please refer to page 62. For 115gm or 150gm Gloss or Silk Art please refer to page 63. For 160gm equest® or 200gm Gloss or Silk please refer to page 64.

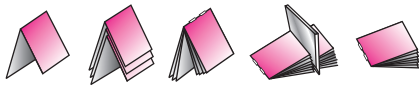

In each case you can specify that your cover is to be printed on the same material as the inners or choose covers printed on 200gm or 280gm Gloss or Silk any of which can be laminated or 300gm equest® Card which is an uncoated material not suitable for lamination.

Binding Options:

Wire Stitching (stapling)

This is ideal for Booklets with a smaller number of pages. We fold our sections prior to assembly resulting in Booklets which sit flat and look professional.

For a small premium we can loop bind Booklets. This gives the staples and eye so the booklet will fit in to a ring binder.

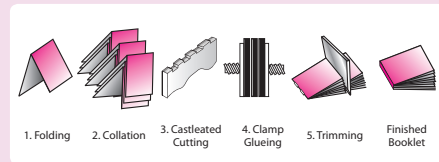

1. Folding 2. Gathering 3. Stitching 4. Trimming 5. Finished Booklet

Please Note: Not all stitched Booklets are finished this way. Many are collated before folding and stitching. It's easier but results in a 'springy' Booklet.

Perfect Binding (this catalogue is perfect bound)

For larger Books perfect binding is the most suitable option. Each of our price tables gives a recommended minimum number of pages required for perfect binding.

1. Folding 2. Collation 3. Castle-cutting 4. Clamp Glueing 5. Trimming 6. Finished Booklet

Orientation

All our prices are for Portrait (bound on the long edge) or Landscape (bound on the short edge) Books.

Please Note: A6 & 1/3 A4 Landscape Booklets are finished with one stitch (staple) only.

Non Standard Sizes

If you require a Non Standard size Booklet, e.g. a CD size (120mm square), simply price as the next standard size, in this case A5 (148mm x 210mm). We make no extra charge for trimming to a bespoke size.

Turnaround

The turnaround times shown are for up to 10,000 for Wire Stitched Booklets. For larger quantities and Perfect Bound Booklets please confirm turnaround at the time of ordering.

Books & Booklets Pricing System

Using our easy Booklet Pricing System virtually any Booklet permutation can be priced quickly and efficiently. The price is made up of a series of simple elements.

Step 1: Obtain the setup price for either Wire Stitched, Loop Bound or Perfect Bound Booklets from [Table A](#) below.

Table A		Stitching Setup Cost

Carriage

(Applicable on delivered items only)

Please calculate cost by adding together the carriage codes for each product ordered. Read off the carriage cost for the sum of these on page 107. Alternatively please confirm the price at the time of ordering.

Step 4: Obtain the price of your inner pages from [Table D](#) for your chosen material. See page 62 for 100gm Executive and equest® paper. See page 63 for 115gm and 150gm Gloss and Silk Art. Or see page 64 for 160gm equest® paper and 200gm Gloss and Silk Art. Please Note: If the cover of your Booklet is the same material as the inner pages and not laminated, then include the cover (4 pages) in the page count when using [Table D](#).

Your Booklet is the sum of the amounts in Tables A, B, C and D.

Step 5: Obtain the price for carriage by simply adding together the codes for the elements of your Booklet and then by referring to page 107.

Books & Booklets Inner pages printed on 100gm Executive or 100gm equest[®] paper
