

Deskpads 100gm Executive

Page 18 is printed on 100gm Executive paper

FSC Grade Material

Our Deskpads consist of 50 sheets of 100gm white Executive paper printed in One Colour, Two Colours or Full Colour on one side and bound on either the long or short edge to a 1.2mm grey backing board.

Their perennial nature and exceptional cost effectiveness make them an extremely potent medium - whatever the message!

When ordering Notepads and Deskpads please state whether you require top, bottom, left or right side gluing.

Please note: The paper used for our Deskpads is white. 'Coloured paper' is achieved by printing the required background colour as part of the print process.
