

Envelopes - 'Made then Printed' Spot Colour or Full Colour

By using Pre-Made Envelopes small numbers can be printed relatively inexpensively.

When designing for print on Pre-Made Envelopes two inherent limitations must be considered:

1. Print must not extend closer than 10mm from any of the edges.
2. Printing across different thicknesses (e.g. the flap) is not successful. Please see the schematic below.

If you are in any doubt about the practicalities of a design please contact us for advice.

Pricing Envelopes

Before using the pricing tables please establish the number of 100 Envelopes you require over 250.

E.g. For a quantity of 686 the number of 100s over 250 is:

$$686 - 250 = 436 \quad 436 \div 100 = 4.36$$

Cost of print

Use [Table 1](#) to determine the print cost.

E.g. For 686 Envelopes printed in one colour the cost of printing is: £72.98 (for 250) + 4.36 x £1.89 (per 100) = **£81.22**

Plus Cost of Envelopes

Use [Table 2](#) to determine the cost of Envelopes.

E.g. For 686 DL 90gm Plain White Envelopes the cost of the Envelopes is £9.95 (for 250) + 4.36 x £2.97 (per 100) = **£22.90**

Carriage Code

Use [Table 2](#) to determine the Carriage code.

E.g. For 686 DL 90gm Plain White Envelopes the Carriage code is 0.08 (for 250) + 4.36 x 0.03 (per 100) = **0.21**

Obtain your Carriage cost from the table on page 107.

Envelopes - 'Printed then Made' Spot Colour or Full Colour

FSC Grade Material

A sample Envelope can be found on page 18

Printing before making Envelopes removes the limitations of the 'Made then Printed' Envelopes detailed on page 28. It is possible to print on every part of the Envelope, and even on the inside if required.

The only disadvantage of producing Envelopes this way is that the cost of setup is quite high, making small runs expensive. For larger runs the costs compare favourably with 'Made then Printed' Envelopes.

Our standard size is C5 but we can provide a bespoke quote for your specific Envelope requirements.

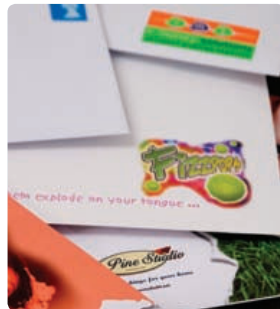

Printing

Envelopes can be printed on either 100gm Executive stock (page 17 is printed on this material) or 115gm Gloss Art (page 19 is printed on this material) or 120gm equest® (page 22 is printed on equest®).
