

## Playing Card Boxes

The use of our Playing Cards is not limited to playing games!!

From Revision Cards to Drug Awareness Cards; Students Pocket Survival Guides to Bus Timetables; Places to Stay in the Lake District to Pub Crawls in Cardiff, what you can do with Personalised Playing Cards really is as great as your own imagination!

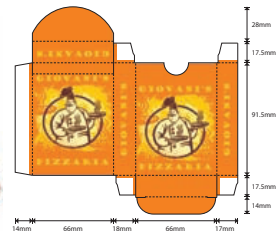

We are able to supply the card faces - clubs, spades, picture cards, etc. as EPS files so that they can be worked into your own artwork. The EPS files are released after you order and you would need to sign a one time use declaration form.

### Personalised Playing Card Boxes

As standard our Playing Cards are supplied packed in a plain red box. However, you can greatly increase the appeal of your Pack of Cards by having them packed in your own Fully Personalised Box.

**Please Note:** These prices are only valid when Boxes are bought as part of a Playing Card order. Boxes on this page cannot be bought separately. Our Box type B1 may be better value for larger quantities of Boxes, see page 48.

Where colour extends across folds we strongly recommend lamination to minimise the risk of cracking on the fold.
