

Tent Cards 400gm Matt

Page 36 is printed on Unlaminated 400gm, page 33 is Gloss Laminated and page 34 is Matt Laminated

FSC Grade Material

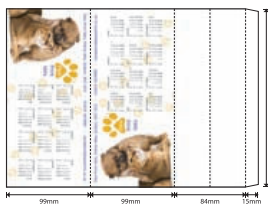

We offer two types of Tent Cards. Both can be supplied Unlaminated, Gloss Laminated or Matt Laminated.

Type A is printed on two faces and has a centre score on the third face to allow for flat packing. They are also supplied assembled.

Type B is printed on all three faces and has a peel-off adhesive strip for easy assembly.

Please note: If colour extends across the fold we strongly recommend lamination to minimise the risk of cracking on the fold.
