## Custom Shapes

Wobblers can be Die-Cut to virtually any shape. In this case the cost of the Wobbler will be the cost of the standard square plus the cost of cutting. The cost of the Forme is a one-off cost with the first order and will depend on the intricacy of the shape required.

The one-off cost of a Die-Cutting Forme starts at just **£60.00 + VAT**. This cost is incurred only once. On subsequent runs we can use the same Forme again.

The cost of Die-Cutting is calculated from a Setup charge and then a run on cost per 1000.

Set up charge **£45.00 + VAT**.

Running cost **£30.00 + VAT** per 1000.

**Turnaround:** Anticipated completion in 8 working days.\* Need it faster? Please call.

\*Up to 30,000, for larger quantities turnaround agreed at time of order. All prices are + Carriage and VAT at applicable rates. Terms are payment with order.
